## Bônus #1.4

100 fichas de estudos (extras)

A prova trará tudo junto e misturado. É assim que você deve pensar suas fichas de estudos. As fichas, via de regra, devem ser elaboradas por você mesmo, exatamente porque VOCÊ é quem vai entender o desenho feito, os ícones usados, as palavras abreviadas...

Por isso, procurei fazer as fichas de modo que você aprenda a fazer mais, aí de sua casa. Quanto mais exemplos e ideias, melhor.

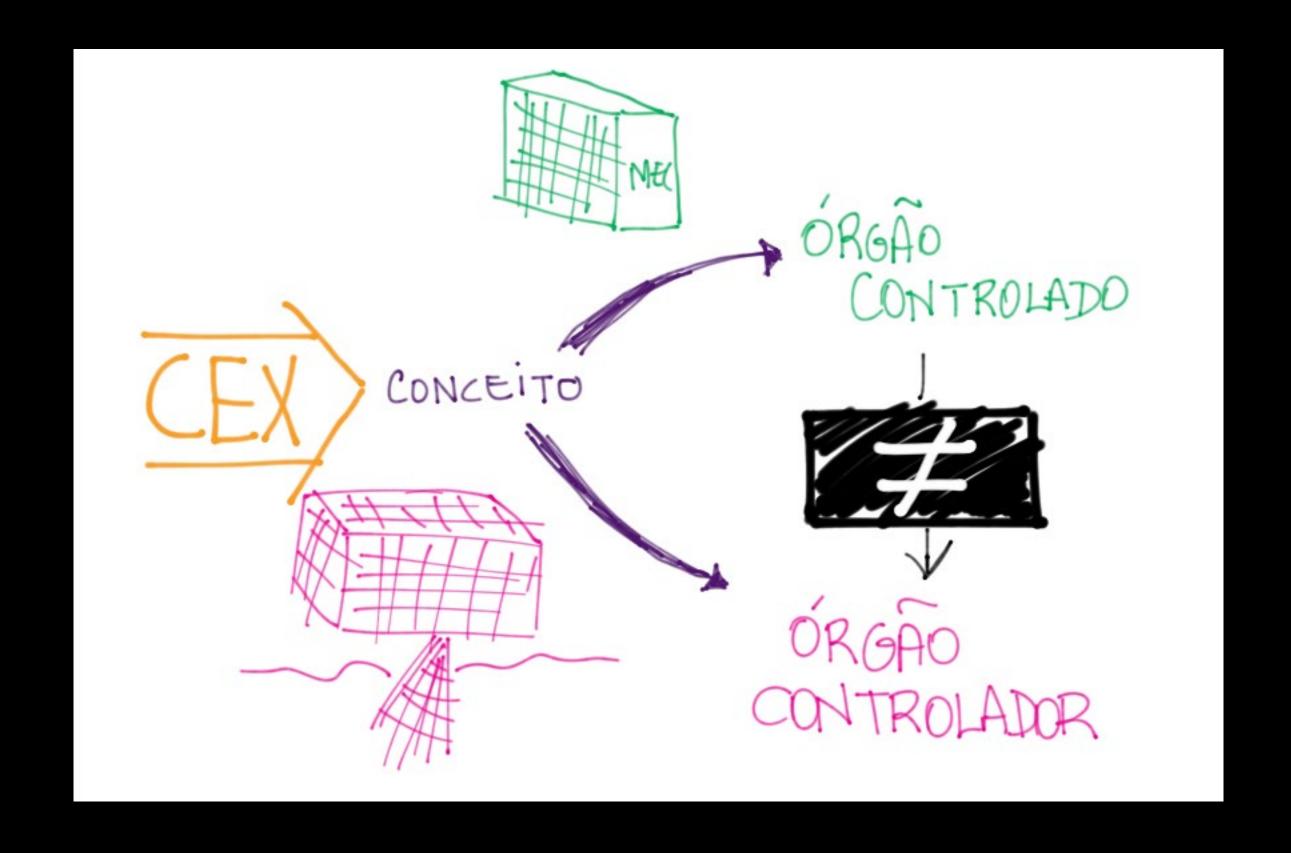

Eu usei um programa específico de iPad, para as fichas — Noteshelf —, apenas para as deixar com essa impressão de "escrita em computador", mas você vai conseguir fazer as suas bem mais rápido se usar papel em branco (A4 cortado no meio — ou A5), canetinha e lápis de cor :)
